

Come Together: Advent Hope
Life Group Questions, Sunday November 28, 2021
Hope Community Church

Discussion Starter: Start by lighting a candle – the candle of Hope. How does “hope” tie into Advent and why is hope so important for us as followers of Jesus?

Digging Deeper

1. Read Romans 5:1-5. What do we learn about hope in this passage? Think through its argument.

Sharing Our Lives

2. In our Sunday gathering, four people shared about their year. If you were to choose one word to summarise your year, what word would it be and why? Think hard about what God may have been doing in your life.
3. Have you had any moments this year when you were especially aware of God’s presence and help?
4. Mark talked about how our Bibles often have pages that are special – marked with tears, dog-eared from much use, favourite sections to encourage our faith. Do you have any favourite verses from this year? Any “go to” passages?
5. Did you find anything on Sunday in our gathering particularly encouraging?

Praying and Going

6. Where do you need hope right now?
7. Ensure your group is aware that we are meeting online only this Sunday, 10am. Click on the Live Church link on our home page. Pray for our nation, and the church as we move forward. Pray for each other!
